

The Bold & Beautiful Hue and Heavenly Highlights Service Release

I acknowledge that I have read and do understand and agree as stated below:

- Beautiful Hues and Heavenly Highlights are color treatment services.
- I understand that color is a chemical process. I further understand that chemical processes have different effects on different hair types and colors.
- I understand that previous treatments and chemical services can continue to have an effect on my hair. I fully disclose my previous treatments to my stylist prior to the treatment.
- I understand that chemicals can cause unexpected allergic reactions. I have communicated my allergies to my stylist.
- I understand that the chemicals may have unexpected and undesired effects on the metals contained in jewelry. As such, I agree not to wear jewelry while services are being rendered by Hayah Beauty.
- I agree to hold the salon and its stylist(s) harmless in the event of unexpected or undesired results. I understand and agree that any further alterations or corrections will be provided at my own expense.
