

The Sensational Sew-in Service Release

I acknowledge that I have read and do understand and agree as stated below:

- I understand that the Sensational Sew-in requires my hair to be braided to my scalp.
- I understand that braiding the hair tightly to the scalp can result in hair loss. Hayah Beauty is an advocate for healthy hair and edges and its stylists seek not to braid its Guest's hair tightly to the scalp.
- I understand that it is my responsibility to communicate with my stylist during the braiding process if the braids are uncomfortable.
- I agree to hold the salon and its stylist(s) harmless in the event of unexpected or undesired results. I understand and agree that any further alterations or corrections will be provided at my own expense.
